

About the Trust

- Cheshire and Wirral Partnership NHS Foundation Trust (CWP) provides mental health, learning disability, substance misuse and community physical health services to the people of Cheshire and Wirral. These services are provided in partnership with commissioners, local authorities, voluntary and independent organisations, people who use our services and their carers.
- CWP has around 15,000 foundation trust members and employs more than 3,400 staff across 66 sites, serving a population of over a million.
- Widely seen as a regional leader, CWP takes an active approach in tackling stigma and bridging health and access inequalities. The Trust is committed to providing the highest quality of care for people who use our services to improve their health and well-being.

Recognition for CWP:

- The Trust has been recognised for the 2nd year running as one of the best places to work in the health service – Health Service Journal (HSJ) Best Places to Work top 100 list 2015
- The Trust's chief executive, Sheena Cumiskey - twice listed in the HSJ Top Chief Executives list (2014 and 2015) – has recently been shortlisted in the CEO of the Year category at the HSJ Awards 2015 (ceremony in November).
- CWP Community Mental Health Nurse Julie Sheen included in the HSJ's first ever top 50 Patient Leaders list
- First Trust to be awarded the Triangle of Care Gold Star Award and one of only four Trusts to hold two stars nationally. Carers Trust, 2015
- Winner of the Value and Improvement in Communication Award for the children and young persons' website www.mymind.org.uk (Health Service Journal Value in Healthcare Awards 2015)
- Winner of the Innovative Access to Public Services Award for the MyMind website (iNetwork Innovation Awards, 2014)
