Division/Directorate	Children and Young People
Department	Children's Disabilities Service
Base	To be completed on recruitment

ORGANISATIONAL ARRANGEMENTS:

Managerially Accountable to:	Team Leader
Reports to: Name Line Manager	Team Leader. Or Service Manager
Professionally Responsible to:	Team Leader and Service Manager

Add organisational statement on values and behaviours

To improve health and deliver excellent care. Put patients first, Work together, Value and respect each other, Learn and innovate, Communicate openly and honestly.

Job Summary/Job Purpose:

To work within a multi-disciplinary team closely with staff from other agencies to promote and maintain high standards of care for children up to the age of 0-5 who have 2 or more areas of significant developmental delay, learning disabilities and complex needs. This will involve assessing developmental / associated health needs, planning, implementing and evaluating appropriate programmes of care and where applicable provide more specialist assessment and intervention. Such work will be underpinned by ordinary life principles and evidence based practice. The post holder will be expected to work with children, their families, carers, staff teams and other professionals in a variety of community settings. In addition the post holder will provide management and supervision for junior colleagues and actively engage in service

development activities within the team.

DUTIES/RESPONSIBILITIES:

Clinical

- To take responsibility for allocated referrals from source to discharged in line with agreed protocols and documentation including assisting Clinical Psychologist in diagnosis of Learning Disability and assessing eligibility. This may involve interpreting complex cognitive assessment information or conducting assessments indicating of levels of functioning
- To conduct initial “choice” appointments (or equivalent) with carers to agree suitability of the service to meet the child’s needs and agree outcome focused goals which to work towards.
- To undertake an initial assessment of physical, psychological and social well being in order to accurately identify the child’s needs and associated health needs.
- To carry out this assessment utilising evidence based tools and where appropriate to provide more detailed specialist assessment of specific areas of difficulty such as behavioural difficulties using functional assessment tools, rating scales, collection and analysis of data such as ABC records. The post holder will then collate the information into a cohesive formulation of the problems to enable development of plans / programmes to address issues.
- Analysing and interpreting information collected and received e.g. monitoring medication, epilepsy charts, mood charts and recordings relating to the occurrence of challenging behaviour.
- To use this information in consultation with carers to identify areas of need where clinical intervention would be of benefit
- To formulate individualised, evidence based interventions which reflect best practice. This may include development of plans where there is no single best practice guidance and alternative approaches are present within research but with inconclusive findings. In these cases plans / programmes will be informed by the post holders knowledge and application of appropriate theoretical frameworks and / or best fit from the available evidence and own clinical experience.
- To co-ordinate the health elements of multi-agency care plans where these are in place
- To facilitate proceedings/have knowledge of (complete Decision Support Tool (DST) and supporting health report / attendance at joint commissioning or child care panel) for a health contribution to funding specialist placements where appropriate and to act as Health Care Manager if required
- To visit placements/settings to maintain contact and monitor placement in terms of providing appropriate treatment as Health Care Manager according to agreed frequency (if required)
- To develop a level of competence and knowledge within a specific area of relevant practice above that of the core requirements needed (e.g. assessment and management of challenging behaviour, sexuality and personal relationships, early years child development, PMLD, Mental Health and LD etc). This would entail having a higher degree of knowledge and skills within a specific area or areas than colleagues working at the same level within the team have and

being able to offer advice and consultation to colleagues working with children / young people and their carers who present the relevant issues.

- Provide relevant local training and development opportunities to increase knowledge and enhance the skills of carers and staff from other agencies
- Adopt a respectful, person centred approach to ensure the child and their carers are involved in the process throughout. This will include adapting programmes / plans in response to children's, carer or family needs. Negotiating priorities sometimes in crisis situations and being able to motivate carers / staff and others involved in delivering care to implement the strategies designed to improve the situation.
- Offer advice, support and consultation to other professionals such as social workers and teachers on relevant clinical issues including, where appropriate, for children not formally referred to ensure a comprehensive service at varied levels of involvement
- To respond proactively to crisis situations for known clients and for unknown clients in immediate crisis, such as escalations in behaviours that challenge or situations where there's risk of family breakdown.
- To record all advice and consultation contacts as agreed in the relevant documentation
- To plan and implement group based interventions with parents / carers and groups of children where clinically indicated and appropriate e.g. Keep safe, anger management, play / development groups etc.
- To teach parents/ carers to carry out intervention and provide ongoing guidance and support including parents who have a Learning Disability and who require training in parenting skills
- To provide direct work with children with significant developmental delay and/or learning disabilities where required and on occasions implement safe physical management and diffusion techniques
- To evaluate interventions and adapt through an ongoing process
- Support children and their carers / families through transitions towards 5-18 Learning Disabilities Services where appropriate
- Contribute to service information leaflets in order to raise the profile of services
- Produce relevant clinical resources such as information leaflets
- To support parents/carers understand their child's needs and help them come to terms with potentially life-long diagnosis/developmental conditions of the child.

Management/Human | Resources

- To be familiar with relevant Trust and local policies / protocols to maintain the integrity of the service

- To be familiar with and uphold the required standards of NMC Guidelines
- To provide and maintain case records and statistical information as required by the trust to ensure good communication and high levels of accountability exist
- To participate in supervision and the PADR process
- To supervise Community nursing staff, Assistant Nurse Practitioner or nursery nurses and Health Support Workers where allocated.
- To be actively involved in service development initiatives and where problems are highlighted to promote developments to enhance local working practices
- To undertake and initiate clinical governance activities, research and audit activities in negotiation with the service manager and broader team
- Interpret principals and policies relating to own practice and advising the practice of others in performing within these requirements e.g. ethical physical management, sexual offences act etc
- Acting and responding to issues which may arise in the absence of the team manager
- Responsible for the safe use and storage of equipment used for clinical work including assessment and teaching / training e.g. video equipment

Education and Development

- To engage with the PADR process as the method of agreeing a CPD plan with the service manager
- Continue with personal development and education through attendance at relevant seminars/courses as agreed to ensure own potential as a practitioner is realised
- To ensure regular update on safeguarding policies and procedures is undertaken along with any other training identified as mandatory for the service and recognise safeguarding vulnerabilities within the younger age group.
- Participate in child protection conferences and core group meetings where appropriate.
- Maintain revalidation requirements in order to maintain registration with NMC
- Act as supervisor and/or mentor for learning disability/child/other branch students on practice placements if required
- To contribute to the education of non branch students through the child learning disability nursing awareness sessions where held
- To contribute to the training of other staff where their role will have a direct impact upon children and adolescents with learning disabilities
- To collaborate with the design of and provide teaching sessions for pre and post registration

<p>courses at diploma and degree level for specific modules e.g. Sexuality, positive approaches to challenging behaviour etc. if required</p> <ul style="list-style-type: none"> • To act as a preceptor for newly qualified staff where appropriate to ensure a smooth transition from student to practitioner • To assist in relevant local training and development opportunities to increase knowledge and enhance skills of carers • To participate with “in house” service development initiatives and training opportunities to increase the post holders own knowledge and enhance clinical practice <p>Clinical Governance</p> <ul style="list-style-type: none"> • To participate in regular clinical supervision with the Team Leader to ensure practice is subjected to a reflective process • To keep updated with relevant research thus ensuring clinically effective practice • .To report any incident/near misses in accordance with Organisational Policy • To promote people’s rights in accordance with service philosophy <p>Professional Accountability</p> <ul style="list-style-type: none"> • Adhere to the Organisations policies and procedures • Maintain up to date knowledge and skills in respect of area of practice. • Maintain an awareness of professional/service issues that relate to area of work • Limit your actions to which you feel competent to undertake and are within the scope of your role/duties.
--

GENERAL REQUIREMENTS

Standard general items to be covered in job descriptions should include the following text:

Competence

At no time should the post holder work outside their defined level of competence. If there are concerns regarding this, the post holder should immediately discuss them with their manager/supervisor. Employees have a responsibility to inform their supervisor/manager if they doubt their own competence to perform a duty.

Registered Health Professional

All employees of the LHB who are required to register with a professional body, to enable them to practice within their profession, are required to comply with their code of conduct and requirements of their professional registration.

Health Care Support Workers

Healthcare Support Workers make a valuable and important contribution to the delivery of high quality healthcare. The national Code of Conduct for NHS Wales describes the standards of conduct, behaviour and attitude required of all Healthcare Support Workers employed within NHS Wales.

Health Care Support Workers are responsible, and have a duty of care, to ensure their conduct does not fall below the standards detailed in the Code and that no act or omission on their part harms the safety and wellbeing of service users and the public, whilst in their care.

Supervision

Where the appropriate professional organisation details a requirement in relation to supervision, it is the responsibility of the post holder to ensure compliance with this requirement. If employees are in any doubt about the existence of such a requirement they should speak to their Manager.

Risk Management

It is a standard element of the role and responsibility of all staff of the LHB that they fulfil a proactive role towards the management of risk in all of their actions. This entails the risk assessment of all situations, the taking of appropriate actions and reporting of all incidents, near misses and hazards.

Records Management

As an employee of the LHB, the post holder is legally responsible for all records that they gather, create or use as part of their work within the LHB (including patient health, financial, personal and administrative), whether paper based or on computer. All such records are considered public records, and the post holder has a legal duty of confidence to service users (even after an employee has left the LHB). The post holder should consult their manager if they have any doubt as to the correct management of records with which they work.

Health and Safety Requirements

All employees of the LHB have a statutory duty of care for their own personal safety and that of others who may be affected by their acts or omissions. The post holder is required to co-operate with management to enable the LHB to meet its own legal duties and to report any hazardous situations or defective equipment. The post holder must adhere to the LHB's risk management, health and safety and associated policies.

Values

All employees of the Health Board are required to demonstrate and embed the Values and Behaviour statements in order for them to become an integral part of the post holders working life and to embed the principles into the culture of the organisation.

Flexibility Statement

The duties of the post are outlined in this job description and person specification and may be changed by mutual agreement from time to time.

Confidentiality

The post holder must at all times be aware of the importance of maintaining confidentiality and security of information gained during the course of their duties. This will in many cases include access to personal information relating to service users. The post holder must treat all information whether corporate, staff or patient information in a discreet and confidential manner in accordance with the provisions of the data protection act 1998 and organisational policy.

Promoting Diversity and Dignity at Work

The LHB is committed to promoting diversity in employment and dignity at work. It recognises that discrimination and harassment is unacceptable and that it is in the best interests of the LHB and the population it serves to utilise the skills of the total workforce. The post holder must comply with and adhere to the equal opportunities and dignity at work policies

GOFYNION CYFFREDINOL

Dylai eitemau cyffredinol safonol i'w cynnwys mewn disgrifiadau swydd gynnwys y testun canlynol:

Gallu

Ar unrhyw adeg ni ddylai deilydd y swydd weithio y tu allan i lefel ddiffiniedig cymhwysedd. Os oes pryderon ynghylch hyn, dylai eu trafod â'i reolwr/goruchwylwr yn syth. Mae gan weithwyr gyfrifoldeb i roi gwybod i'w oruchwylwr/rheolwr os oes ganddynt amheuaeth ynglŷn â'u gallu i wneud eu dyletswyddau.

Gweithiwr Proffesiynol lechyd Cofrestredig

Mae'n ofynnol i holl weithwyr y BILI sydd angen cofrestru â chorff proffesiynol, i'w galluogi i ymarfer o fewn eu proffesiwn, gydymffurfio â'u cod ymddygiad a gofynion eu cofrestriad proffesiynol.

Gweithwyr Cefnogi Gofal lechyd

Mae Gweithwyr Cefnogi Gofal lechyd yn gwneud cyfraniad gwerthfawr a phwysig i ddarpariaeth gofal iechyd o ansawdd uchel. Mae Cod Ymddygiad cenedlaethol GIG Cymru yn disgrifio safonau ymddygiad, gweithrediad ac agwedd sydd eu hangen o ran pob Gweithiwr Cefnogi Gofal lechyd sydd wedi'u cyflogi yn GIG Cymru. Mae Gweithwyr Cefnogi Gofal lechyd yn gyfrifol am sicrhau nad yw eu hymddygiad yn disgyn o dan y safonau a ddisgrifir yn y Cod ac nad yw unrhyw weithred neu esgeulustra o'u rhan yn niweidio diogelwch a lles defnyddwyr gwasanaeth a'r cyhoedd, tra eu bod yn eu gofal.

Goruchwyliaeth

Lle mae'r sefydliad proffesiynol priodol yn gofyn am oruchwyliaeth, cyfrifoldeb deilydd y swydd yw sicrhau cydymffurfiaeth â hyn. Os oes gan weithwyr unrhyw amheuaeth am fodolaeth gofyn o'r fath, dylent siarad â'u Rheolwr.

Rheoli Risg

Un o elfennau safonol y rôl, a chyfrifoldeb pob aelod o staff yn y BILI, yw cyflawni rôl ragweithiol tuag at reoli risg yn eu holl weithredoedd. Mae hyn yn cynnwys asesu risg pob sefyllfa, cymryd camau perthnasol ac adrodd ar bob digwyddiad, pethau y bu ond y dim iddynt ddigwydd a pheryglon.

Rheoli Cofnodion

Fel un a gyflogir gan y BILI, mae deilydd y swydd yn gyfreithiol gyfrifol am yr holl gofnodion y mae'n eu casglu, eu creu neu'n eu defnyddio fel rhan o'i waith yn y BILI (gan gynnwys iechyd cleifion, materion ariannol, personol a gweinyddol) p'un a yw'r rhain ar bapur neu ar gyfrifiadur. Ystyrir pob cofnod o'r fath yn gofnodion cyhoeddus, ac mae gan deilydd y swydd ddyletswydd gyfreithiol i gadw cyfrinachedd defnyddwyr gwasanaeth (hyd yn oed ar ôl i weithiwr adael y BILI). Dylai deilydd y swydd ymgynghori â'i reolwyr os oes ganddo unrhyw amheuaeth am y ffordd gywir o reoli unrhyw gofnodion y mae'n gweithio gyda nhw.

Gofynion lechyd a Diogelwch

Mae gan holl weithwyr y BILI ddyletswydd gofal statudol ar gyfer eu diogelwch personol eu hunain a diogelwch pobl eraill y gallai eu gweithredoedd neu esgeulustod effeithio arnynt. Mae gofyn i ddeilydd y swydd gydweithredu â rheolwyr er mwyn galluogi'r BILI i fodloni ei ddyletswyddau cyfreithiol ei hun ac i roi gwybod am unrhyw sefyllfaoedd peryglus neu offer diffygol. Rhaid i ddeilydd y swydd gadw at bolisiau rheoli risg, iechyd a diogelwch a pholisiau cysylltiedig y BILI.

Gwerthoedd

Rhaid i holl weithwyr y Bwrdd lechyd ddangos a chynnwys y datganiadau Gwerthoedd ac Ymddygiad fel eu bod yn dod yn rhan annated o fywyd gwaith deilydd y swydd, a chynnwys egwyddorion yn niwylliant y sefydliad.

Datganiad Hyblygrwydd

Amlinelliad o ddyletswyddau'r swydd yw'r Disgrifiad Swydd a manyleb yr unigolyn ac efallai y cânt eu newid trwy gytundeb y ddwy ochr o bryd i'w gilydd.

Cyfrinachedd

Mae gofyn i ddeilydd y swydd fod yn ymwybodol bob amser o bwysigrwydd cadw gwybodaeth a gafwyd yn ystod ei ddyletswyddau yn gyfrinachol ac yn ddiogel. Bydd hyn yn cynnwys mewn sawl achos, mynediad at wybodaeth bersonol yn ymwneud â defnyddwyr gwasanaeth. Mae'n rhaid i ddeilydd y swydd drin pob darn o wybodaeth, boed yn gorfforaethol, am staff neu gleifion, yn gall ac yn gyfrinachol yn unol â darpariaethau deddf diogelu data 1998 a pholisïau'r sefydliad.

Hybu Amrywiaeth ac Urddas yn y Gwaith

Mae BILI wedi ymrwymo i hybu amrywiaeth ac urddas yn y gwaith. Mae'n cydnabod nad yw gwahaniaethu nac aflonyddwch yn dderbyniol a'i fod er budd y BILI a'r boblogaeth mae'n ei wasanaethu i ddefnyddio sgiliau'r gweithlu cyfan. Rhaid i ddeilydd y swydd gydymffurfio â'r polisiau cyfleoedd cyfartal ac urddas yn y gwaith a chadw atynt
