Trust Values

Health and Safety at Work Act

The post holder is required to take responsible care for the health and safety of him/herself and other persons who may be affected by his/her acts or omissions at work. The post holder is also required to co-operate with Buckinghamshire Healthcare NHS Trust to ensure that statutory and departmental safety regulations are adhered to.

Confidentiality

The post holder has a responsibility to maintain confidentiality and ensure the principles of the Data Protection Act 2018 (DPA) and all applicable laws and regulations relating to Processing of Personal Data and privacy, including where applicable the guidance and codes of practice issued by the Information Commissioner are applied to patient, staff and Trust business/information.

Equal Opportunities

The Trust welcomes all persons without regard to age, ethnic, or national origin, gender or sexual orientation, religion, lifestyle, presenting illness, marital or parental status or disability. We aim to provide a non-judgemental service at all times.

Managing Risk: Maintaining skills and learning from problems

Reducing risk is everyone's responsibility. All staff in the Trust must attend training identified by their manager, or stated by the Trust to be mandatory. The Trust uses risk assessments to predict and control risk and the incident reporting system to learn from mistakes and near misses and so improve services for patients and staff. All staff are expected to become familiar with these systems and use them. The Trust has designated the prevention and control of infection as a core issue in the organisation's clinical governance, managing risk and patient safety programmes. In consequence, all employees are expected to:

- i) Follow consistently high standards of infection control practice, especially with reference to hand hygiene and aseptic techniques,
- ii) Be aware of all Trust infection control guidelines and procedures relevant to their work.
